Dear Patients,

It is with mixed emotions that I announce my retirement as of December 22, 2023. Caring for you, my patients, has been the most rewarding part of my 42-year career as a chiropractic physician and acupuncturist.

I have come to know many of my patients and their families as friends, and I am honored that many of you have asked me to care for two, and even three, generations.

I am recommending the following two chiropractic physicians for your future healthcare needs. Bear in mind the choice is up to you, the patient. You may also want to verify that the doctor you choose is on your insurance plan.
